 5_{\circ} Om h June, from 300 to 400 soldiers, organized into three units, conducted practice attack over a medium distance against a newly erected target village et the Kuhburgsberg training area. Untual fire support was particularly stressed during the exercise. The attack was frequently interrupted and the troops ordered to resume their jump-off positions. No heavy weapons were involved in the exercise.

25X1C Comments The occupation of the Friedrich Franz Kaserne appears to have 25X1B In addition, the division's unidentified AAA regiment and its unidentified guards signal battalion are <u>believed to</u> be stationed there. 25X1A and 25X1A

(2) Dischargees probably departed from, and recruits arrived at, the installation. Since motorcycles have been repeatedly observed in the installation, it is possible that, besides tank units, the unidentified recommaissance battalion of the 12th Gds Tank Div is stationed there. The truck numbers mentioned in the present report belong to the division's unidentified AAA regiment and tank units.

25X1B (3) See Kaserne as quartering tank units and the 226th Nort Regt of the 12th Gds Tank Div. 25X1A The tanks may have been shipped to a repair shop for general overhauling. (h) The truck convoy which, 25X1A

carried materiel, belonged to the 25th Tank Div, with the exception of one vehicle of the 10th 3ds Tank Div.
